

MEMBERSHIP LOGIN

Welcome to the instructions to login as a member to the West Northumberland Curling Club website.

You must have login credentials (a UserID and Password) for the MEMBER LOGIN.

If you were a member for the 2021/2022 season, use the same UserID and Password as you did last season.

If you were a past member but did not curl last year, you can retrieve your new username using the “**Forgot your username?**” link. All new Usernames are First-Last name by default (ie; the username for Bob Jones will be Bob-Jones). You will also need a new password. Use the “**Forgot your password?**” link to retrieve a temporary password. It will be 12 random characters.

The username and password from the old website will not work.

Your username and password can be changed once you have logged in. Go to Member’s Home and then Edit My Information to change your username and password. Contact operations@wncc.ca if you need help.
