- If you are **returning member and your member login credentials are working**, proceed to the registration section of this document

Returning Member: need a password

- If you are a **returning member but your login is not working** or you forgot your password, click on the "**Forgot your password?**" link which will bring you to the following screen:
- You can retrieve your Username or a Temporary Password from here.
- If this is the first time you have logged into the new website, then you will need to retrieve a Temporary Password. This can be changed once you are logged in.
- Your old username will not work. All members have been assigned a new username, typically firstname-lastname. This can be changed once you are logged in.
- Use your username and temporary password to login. Go to Member's Home and then Edit My Information to change your username and password.
